

Brother Knights and Families,

There are so many themes for November. It began with the complementary days of All Saint's – All Soul's Days. Then we move to Thanksgiving and end with the 1st Sunday in Advent. Officially, the Church dedicates November to All Soul's Day. We give thanks for the example of faith our parents, grandparents, other family members and friends gave to us. Were they perfect? NO! However, did the majority of their life show the virtues that Jesus gave to us? All Saint's Day celebrates all the people we believe are in heaven already, not just the ones who have a special day set aside for them during the year. On this Thanksgiving Day, let us remember all affected by the COVID-19 virus especially those "heroes" who are caring for the victims at risk of getting the disease. We remember those who lost their lives and livelihood in the wildfires, hurricanes, or other natural disasters. May this familiar saying remind us of our departed loved ones and our responsibility to be example of goodness.

"A cardinal is a representative of a loved one who passed. When you see one, it means they are visiting you. They usually show up when you most need or miss them. They also make an appearance during times of celebration as well as despair to let you know they will always be with you. Look for them, they'll appear."

Have a Blessed Thanksgiving!
